Due to the coronavirus: 29th Aqua-Fisch to take place from  
March 5 to 7, 2021

## Hook, line and sinker: Aqua-Fisch lands a new date

**Friedrichshafen – From March 5 to 7, 2021, the international trade show for fishing, fly fishing and aquaristic will once again be casting its nets. The exhibition, originally scheduled to take place from March 6 to 8, 2020, can no longer be held this year.**

“In consultation with exhibitors and partners, we worked flat out to find a suitable date in the second half of 2020. Our own trade fair calendar as well as that of the industry make it impossible to hold the event in 2020. After a great deal of deliberation, we decided in favor of a date in the coming year,” Managing Director Klaus Wellmann and Project Manager Petra Rathgeber explain.
